

My Life

PowerPoint Presentation

You will create an 11 slide presentation that describes you and your life. It should be informative about YOU, your interests, abilities, what makes you, you. It should not focus on just one or two things about you, but rather many things. Below are guidelines for the content on your slides:

Slide 1: Title Slide introducing yourself with your name (in WordArt) and a picture of yourself.

Slide 2: Your birth date and TWO significant events that occurred on that date in history, with pictures of the events (Add the year of each event)

Slide 4: Family slide with pictures and identification of each member. Use text boxes and arrows to identify each person. OR you may insert an organizational chart to show your family tree.

Slides 5 – 9: Your Choice from the following topics below:

➤ Pets	➤ Best Friends	➤ Favorite Places to Visit
➤ Hobbies	➤ Favorite Music Groups/Singers	➤ Favorite Sports
➤ Favorite School Subjects	➤ Favorite Songs	➤ Favorite Holiday
➤ Favorite Activities	➤ Favorite Movies	
➤ Role Models	➤ Favorite Actors/Actresses	
➤ Favorite Foods	➤ Favorite Places to Eat	

Slide 10: Future Slide – Your plans after high school. You cannot say I DON'T KNOW.

Design Requirements for the Presentation

- Save as: LastNameFIMyLife.pptx
- Header for **Handouts** with page number in footer
- Apply one (1) design theme with a background color change on one slide
- Minimum of 11 slides
- Title slide with your name and picture/graphic
- Use at least three (3) different slide layouts
- Every slide should have a title
- Every slide should have a picture or graphic
- You should only have one slide transition applied to the whole presentation
- Animation on each slide
- Insert and format name as WordArt
- Insert and format a Shape
- You should have one (1) animated GIF or video in your presentation

Bonus:

- Add sound or music clips. Must be school appropriate.
- Automated advance (timing) for the presentation. Make each advance long enough for the entire slide to be read and viewed.
